AGIPI 2025 — personal or practice?

How much did we pay AGIPI in 2025? And is that personal or the practice?

Thought for 6 seconds

Hide reasoning

Looked for AGIPI across all five entities for 2025. Found 6 documents: 4 payment notices, 1 annual certificate, 1 letter. The certificate gives the total and the 4 notices confirm it. The contract type is ambiguous, so I'd rather ask than guess.

Searched the archive · 6 found

Read 3 documents

In 2025 you paid AGIPI €3,820.80, in four quarterly instalments of €955.20. ①②③④ They're filed under Personnel for now, but I'm not sure that's right.

MONA'S SUGGESTION

Confidence

I think this is the Atelier's line: the number ends in 18, like the last three Atelier invoices. But it's addressed to the practice.

- 1
- Line 02 43 18, the same as 3 Atelier invoices (June–August)
- 2
- Addressed to 12 rue du Pont-de-Mayenne, Laval: the practice address
- 3
- €54.99 incl. VAT, debited from the Atelier's account
